

# Terms of Use

The use of this website (hereinafter referred to as the %Website+) provided by Linde Gas Benelux B.V., Linde Gas Therapeutics Benelux B.V., Linde Homecare Benelux B.V., Linde Gas Cryoservices B.V. and Linde Gas Belgium N.V.(hereinafter jointly referred to as %Linde+) is subject to the following provisions:

## 1. Trademark and Copyright, Rights of Use

The entire content of the Website, such as text, pictures, graphics, sound, animations and videos, including corporate logos and brands, as well as the layout (hereinafter referred to as the %Content+), is protected by trademark and copyright law and other laws for the protection of intellectual property. Distributing, changing or copying the Content, including framing or the use of any framing techniques, is prohibited.

Linde expressly specifies that some of the pictures contained on the Website are protected by the copyright of third parties.

No rights of license or other rights are granted via the Website for the use of the intellectual property contained therein, including brands and copyright. Copying, distributing, reproducing, forwarding and otherwise using this protected intellectual property is not permitted without the written consent of Linde. The remaining contents of the Website may also not be copied, distributed, changed or made available to third parties. The use of texts, sections of text or visual material, in particular, requires the prior approval of Linde.

The user is expressly permitted to produce a single copy of the Website for personal, non-commercial use, on the condition that the content is not altered in the course of copying and all references to industrial property rights are retained in the copy, or inserted if only extracts from the Website are used. The content of press releases and other documents classified as public may be used in public communications. This does not apply to those parts of public documents which are protected by trademark or copyright law, or other legal regulations.

## 2. Limitation of Liability

Linde is not liable for any damage or injury resulting from the use of the Website.

Linde continually checks and updates the information provided on the Website. Although due care is taken, Linde cannot guarantee that the Website is free from errors. Linde therefore accepts no liability and furnishes no guarantee, neither express nor implied, that the information provided is up-to-date, accurate or complete. The same applies to all other web pages accessed by hyperlink from the Website, whether these belong to affiliated companies or third parties. Linde accepts no liability for such web pages and is not responsible for the data protection arrangements of the operators of these web pages.

Linde reserves the right, at any time and without prior notice, to make amendments or additions to the information or data provided. Any statements made on the Website regarding the future of the Linde are based on the beliefs and judgement of the management of Linde and are therefore subject to risks and uncertainties. Linde is under no obligation to update such statements regarding the future of Linde and accepts no liability whatsoever for these statements.

Linde may deny access to the Website at any time and provides no guarantee of the uninterrupted availability of the Website.

Although Linde will make every effort to keep the Website free from viruses, it cannot provide any guarantee that it is virus-free.

### **3. Websites by Third Party Providers/Links**

The Website contains links and references to third party websites. These links and references do not imply any endorsement of the content of third party websites by Linde. Linde is not responsible for the availability or the content of third party websites and is not liable for any damage or injury resulting from their use, regardless of purpose. Links to third party websites are provided to users of the Website for their convenience only.

### **4. User Information**

To enable us to comply with your requests for information, you may be asked to supply personal data. Any such data is supplied by you completely voluntarily and is used solely for the purpose of complying with your request for information. All data is collected, stored, processed and used in compliance with the Dutch law on the protection of personal data (Wet bescherming persoonsgegevens).

### **5. Applicable Law**

These terms of use and all questions and disputes relating to the use of the Website are subject to the laws of the Netherlands excluding the provisions of private international law and the United Nations Convention on Contracts for the International Sales of Goods (CISG).
